FAQ

Q1: Do you have a range of stock items for sale?

All our products are designed and made according to each customer's different demand. We have no standard lines available from stock.

Q2: Are you a manufacture?

Yes, we have our own factory and have been in providing professional solutions in packaging industrial over 10 years.

Q3: What is your minimum order quantity?

As a general rule our MOQ is 1000pcs. Although on occasions we have produced orders for less than 1000. However, for small orders, costs are likely to be very high when considering repro, printing, tooling and set-up costs.

Q4: How can I get a sample to check your quality?

After price is confirmed, you can require samples to check our quality.

For sample making, we will charge 30usd-100usd to cover the cost on filming and printing. Final price will be confirmed according to the products' craftwork.

Q5: What information should I let you know if I want to get a quotation?

- 1) The box pattern
- 2) The size of the product (Length*Width*Height)
- 3) The material and surface handling
- 4) The printing colors
- 5) If it is possible, please also provide with pictures or design for checking. Sample will be best for clarifying, If not, we will recommend relevant products with details for reference.
