Packing and Shipping:

Packaging and Shipping

The Paper Watch Box is designed to be shipped to customers in an efficient and safe manner. The box is made of a corrugated cardboard material and is designed with an easy-to-open flap. The box is secured with a plastic band to ensure the box remains closed during shipping. The box also includes a foam insert to protect the watch during shipping.

To ensure the watch is delivered undamaged, we recommend using a reliable shipping carrier. We provide a tracking number for customers to monitor their package during transit and can provide insurance for the package if requested.
