### Packing and Shipping:

Paper Jewelry Box Packaging and Shipping

Paper Jewelry Boxes are typically shipped flat and require assembly by the customer. To ensure that the boxes arrive in good condition, they are carefully packaged with the following steps:

**The boxes are wrapped with bubble wrap to protect them from damage.**

**The boxes are then placed in a corrugated cardboard box for additional security.**

The box is then sealed with packing tape.  
A shipping label is applied to the box.  
The box is then ready to be shipped.
