### Support and Services:

Technical support and service for Paper Jewelry Box include:

24-hour online customer service.

Free product use consultation.

Free technical maintenance and repair services.

Free replacement service for defective products.

Free installation guidance.

After-sales tracking service.

### Packing and Shipping:

Packaging and Shipping for Paper Jewelry Box

The paper jewelry box is made of corrugated cardboard, which is lightweight and durable. We recommend that it be packaged in one piece to ensure maximum protection during shipping. The box should be wrapped in bubble wrap, and then placed into a cardboard box that is at least two inches larger than the jewelry box itself. Fillers such as foam peanuts or air pillows can be used to prevent the jewelry box from shifting during transit. Finally, seal the box with tape and clearly mark it with the shipping address.
