Support and Services:

We offer technical support and service for our Jewelry Display Sets. We provide free consultation services to answer any questions you may have regarding products, installation, and customization. We also provide installation services for our Jewelry Display Sets, so that you can have your displays set up quickly and easily. In addition, we offer repair and maintenance services to ensure that your Jewelry Display Sets are functioning properly and looking their best. If you require any additional assistance, our customer service team is always available to help.

Packing and Shipping:

Packaging and Shipping for Jewelry Display Sets

We package Jewelry Display Sets securely and safely for shipping. All items in the set are individually bubble wrapped and then placed in a secure, cardboard box. The box is then taped shut for extra security during shipment. The box is labeled with the delivery address for easy identification.

We ship Jewelry Display Sets via a trusted courier service. We use a tracking number to monitor the progress of each package. Customers will receive an email notification when their package has been shipped and again when it has been delivered.
